Opening hours green room	in consultation

Parking/Accessibility

The main entrances of the Schouwburg, Concertzaal, Studio as well as the Filmfoyer are located at the Schouwburgring. Because of the one-way Schouwburgring there are separate directions for reaching the loading dock of the Concert Hall and parking.

Directions loading dock Concertzaal

From the A58 from Breda, Den Bosch and Eindhoven:

Take exit 11, Tilburg Center / Goirle. At the traffic lights follow direction Centrum Tilburg towards Centrum Tilburg. Keep right after the next traffic light, on the Ringbaan Zuid.

After 3.7 km go left at the Broekhovenseweg. Keep right after 0.7 km, the Piusstraat. After 0.7 km turn left at the traffic lights at the Paleisring. After 0.8 km you will see to your left the loadingdock of the Concert Hall.

Directions Parking Louis Bouwmeesterplein

From the A58 from Breda, Den Bosch and Eindhoven:

Take exit 11, Tilburg Center / Goirle. At the traffic lights turn follow direction Centrum Tilburg towards Centrum Tilburg. Then stay straight and follow the Ringbaan West for 1.2 km. At the fourth traffic lights, direction Tilburg Centrum, on the Bredaseweg. After 1 km this street turns into the Schouwburgring, then follow the signs to parking Louis Bouwmeesterplein.

The stage door of the Theatre, Studio and Film Foyer is located at the Louis Bouwmeesterplein no. 1.

For the stage door of the concert hall, you walk around behind the theater. After 0.2 km the road makes a right turn and you see an iron staircase. Here is the stage door, opposite to Oudedijk no. 1.

Parking

As of September 1, the municipality of Tilburg no longer provides parking tickets to sell to our guests. It's possible to pay cash, with chipknip or creditcard in all parking garages in Tilburg.

Late night shopping: on Thursday parking is difficult

Due to late opening on Thursday you have to take account of extra traffic. Also, extra traffic is expected on Sunday shopping and more shopping days around Christmas and Santa Claus.

Public Transport

From Central Station it takes about 10 minutes to walk to Theaters Tilburg.

Loadingdock

Level: street level, indoor
Stage on the second floor!

Dimensions (LxWxH in cm)
